OCTOBER 2010

THE COMMODORE

NOTES FROM THE COMMODORE

The Ocktobest and the Commodore's cocktail reception held on Oct 2nd was a great success. Most of the Commodores that attended the cocktail reception also stayed and enjoyed the band that played, Captain Jack. I want to thank Brenda Radar, Marty Arvay, Sue Deters and all of the people that brought food and participated in putting on this event.

Rita and I hosted a Commodore's 10-10-10 party at the Sunseekers on Sunday, Oct. 10. This was a terrific way to bring in some business on one of our slow days. Everyone had a great time, and we are talking about making this an annual event.

The Rear Commodore and Fleet Captain positions are still open for next year. If you have any questions, please feel free to ask the current position holders or past position holders about the responsibilities of these positions.

A good bye party for Lori Whitaker was held on 10-1-10. Lori is being deployed overseas for one year, probably in the middle east. Lori will also be taking an SSBC burgee with her overseas. Good luck Lori!

It was a busy month for Lady Rita and I for social calls. Cocktail parties attended during September included:

- Detroit Beach Boat Club
- Grosse Ile Yacht Club

As usual, Rita and I had a great time at these events.

Upcoming Commodore's Balls:

Riverview Yacht Club Oct 9th.

West River Yacht and Cruising Club Oct. 23rd

FLEET CAPTAIN

In case you haven't heard I had to cancel the Casino bus trip. Sorry there were not enough people wanting to go. Maybe this winter we can try again because this is a great fund raiser for us. Anyone thinking about being our 2011 Fleet Captain but not sure what it involves please talk to me. I'd be happy to give you ALL the details. It really is a FUN job!

BRINGING UP THE REAR....

Hello SunSeeker's

It's fall again and things are picking up behind the bar. There have been quite a few changes lately so we're having a bartenders meeting on Thursday, October 21st at 7:30 PM for all of those who are interested in bartending. If you are not currently a bartender, but would like to be trained, please come to the meeting. If you would like to attend, but are unable to make it, please send me an email and I can setup an alternate time to review things. The bartender schedule is posted on the wall over by the regalia room all the way through December. If you see an open night you are interested in, please sign up for it. The schedule can also be viewed online via a link through the SSBC website or directly at <http://calendar.yahoo.com/dball7165>.

We especially need bartenders on Sunday's. If you are interested in bartending during a football game or hosting a special party, please let me know. John Hopper recently held his 60th birthday party at the club and it was a great night. It also turned out to be a great night for the bar and ultimately SSBC as a whole. If you are looking to host a party or a special function, be sure to keep in mind hosting it at the club. As always, we are open to suggestions for stock behind the bar. If there is a special drink you would like to see stocked, let me know and we'll do our best to accommodate your request.

Again, thanks to all you who have helped keep the club open by bartending and thanks to all of you who have been coming in and keeping the bar busy.

George Hanrahan

Rear Commodore

I-LYA DELEGATE

I-LYA,

Looks like A-Dock at Put N Bay will get some much needed renovations and a few more fingers. This should happen in 2012.

Reserve the dates December 3rd & 4th, it's the fall meeting held at Perrysburg, OH, Holiday Inn French Quarters. Hospitality rooms open Friday at 5 p.m. free to SunSeeker's.

October's membership meeting was not the usual 50 to 60 people. We did have a quorum and a meeting was held. I personally understand most of us have obligations to family and work. Please try your best to attend your membership meetings the first Wednesday of every month. When you think of SunSeeker's, focus on what's good for the club, it needs all of our members.

I'm lost for words, the party Lady Pat had for my 60th Birthday at the club was over the top. Teri's Carefree Catering handled the food. Please use Teri for your catering needs. Folks, we need to have these kind of parties to generate much needed bar business. P.C. Ed Rader and Rear Commodore George Hanrahan took care of the necessary permit. Big events can be at the club. I am totally grateful to all those that attended. We had a memorable time.

With Sincerity,

P.C. John Hopper
