Hello Sunseeker's,

Does not look like the weather wants to break here in Michigan, guess we are going from Winter straight to Summer. Lady Tara and I have been having a lot of fun representing Sunseekers at the 2011 Balls. We attended Ford, Catawba West Harbor and Harbor View and would like to thank the clubs for there hospitality.

THE COMMODORE

Sunseeker's has donated a bucket of cheer to the Gibraltar Firefighters Ball and they cannot express enough gratitude. A special thanks goes to everyone that helped make the Children with Hair loss event such a great success. So nice seeing so many people come together for such a great cause. We are moving right along with our future outdoor patio and are currently going through the process of the approval procedures through the city. This will be a great addition to our club house and the community. If any members have any suggestions or concerns -please don't hesitate to contact me, any input is greatly appreciated. Thank you

Hello SunSeeker's

Thanks again to everyone who helped make our St Patrick's Day party such a huge success this year. For all of those who attended I hope you had a great time.

Good Friday, Friday, April 22nd will be doing a fish fry. Dinner will consist of cod, fries, coleslaw and a roll. Please let me know beforehand if you wish to attend so we know how much food to purchase. Please either write your name on the sign-up sheet at the club, or send me an email and I will add you to the list. Dinner is a suggested \$10.00 donation to cover costs. Anything raised in excess of the cost will go toward the club improvement fund. If you are interested in bringing up something to share for dessert, please feel free to do so. Hopefully I will see you Friday evening. The club will open at 5:00 PM this Friday for those of you wanting an early dinner.

THE VICE

Saturday, April 30th is the Celeron Island clean-up. If you are interested in helping out, please contact Curt Campau. This is something many SunSeeker's have participated in for many years. A barbeque lunch will be provided afterward. This is a great way to see the interior of the island before it's overgrown and to help keep it clean for all of us to enjoy.

Saturday, May 07th is the annual Gibraltar Clean-up Day. SunSeeker's Boat Club has adopted Gibraltar Road and commits to cleaning it this day each year. We can really use your help with this task. If you are available, please meet me at the club at 9:00 AM Saturday morning. The clean-up will likely only take a couple of hours and we should be finished by 11:00 AM. Last year we only had a couple of volunteers which made it a lot of work for those who attended. We can really use your help with this so if you are available, please let me know.

I will be updating the event calendar soon with the final dates for the Luau and the Dingy Thingy. I will also be posting an updated list of events at the club. As always, if you would like to assist with an event or have an idea to host an event please do not hesitate to contact me.

Sincerely,

George Hanrahan

BRINGING UP THE REAR...

Hello SunSeeker's

I want to thank all the members that made it up to the club in the month of March. General participation along with some great events (aka St. Patty's Day) pushed the club into another great month in bar sales. Now that the month of March is over and spring is in the air, we are probably getting excited to get working on our boats for the pending summer months. As much as we all love the break into spring and the summer months, we must try to remember to come up to the club as much as possible. History has told us that the summer months are the slowest at the club. If we all make an effort to get into the club for a cold drink we can continue our trend of increased sales from last year.

If you have not heard, Cheryl Pollack has started an open mic night every Thursday. If you are an entertainer or an inspiring entertainer, please contact Cheryl to let her know if you would like to come to play a couple of sets. It's a great way to try out your artistic skills and have some fun. If you're not the artistic or the entertaining type, come up to listen to some great music and support an evening of fun. As always, I want to personally thank all the bartenders that have been picking up nights at the club. Without their support, the club would not be able to remain open as much as it is. Also, if you see any opportunities for improvement behind the bar, let me know. I am open to hear any suggestions and/or ideas.

Thanks Again,
Matt Romak
Rear Commodore

I-LYA

The spring meeting held at Perrysburg, Ohio Holiday Inn French Quarters was an awesome weekend. Friday night was a packed, rocking the house night. Saturday night had the most ever attending the spring dinner. This was all honoring Commodore Fred

Schroeder and Lady Char.

SunSeeker's please read the flyer on the next page for Fred's steak roast at Jolly Rogers. Fred & Char both have supported SunSeeker's a long, long time.

Powerboat regatta at Put N Bay is July 27th-31st. There are registration forms at the clubhouse on the left side of the sign in table. This is an action packed week at the Bay and a great value for your dollars. PC John Robbins & Lady Rita will be chairing this years beer trailer. They could use some help. All you are doing is pouring the beer. There are set hours and you can get your work hours for your efforts. Please let them know if you are attending.

Respectfully Submitted,
I-LYA Delegate
