Hi Sunseeker's,

From seeing your posts and talking with many of you, we sure have been extending our Indian Summer by using our boats for as long as possible in October. All good things come to an end though and now the reality that summer is over is real. Now we begin the countdown for splashing our vessels once again.

Many of the AYC balls have been pushed back this year due to COVID so Jeff and I have been in major Commodore ball mode. Even though this year has not been the norm, we feel fortunate that most of the balls have been able to take place this year.

In October we attended:

- SSBC Commodore's Cruise
- CCYC Commodore's Ball
- MBC Commodore's Ball
- BVYC Commodore's Ball
- Wyandotte Boat Club's Commodore's Ball & their 'final' ball ever
- RVYC Commodore's Ball
- GLSBC Commodore's Cocktail Reception
- EMBC Commodore's Ball

The Fall Craft Show was held and was a success. Unfortunately, with the weather prediction of rain that day, we did not have any takers for the Swap Meet. We hope to hold another one next Spring so stay tuned. If you are interested in participating let VC Jenn know as she will be looking for crafters & vendors.

VC Jenn has held several events and has kept our club busy. She has several bands lined in November so please be sure to read the weekly updates I send out in email to the membership for information on them, watch the TV monitor at the club or visit SunSeeker's Scoop to keep updated.

To our Sunseeker's South members (aka Snowbirds), please be safe in your travels and there is no need to post pictures of the warm sunny days and fun you are having :)

Happy Thanksgiving to all of you! Stay safe and enjoy the holiday in however you are celebrating it this year.

Teri

VICE COMMODORE: Jennifer Gronda

Happy November SunSeekers!

I cannot believe the year is almost over and the holidays are right around the corner. The whirlwind of events and adventures have been amazing and wonderful because of all YOU AMAZING MEMBERS!

October was a huge success with the comedy show, the bands and our annual Halloween party. Thank you to all that attended and had a great time. A special thank you and congratulations to our costume contest winners GREAT JOB ON YOUR COSTUMES. Great job to RC Lenny for keeping the bar stocked and covered for all the events I throw at him, thank you for being a great teammate. Also, a shout out to Angela Stepaniak for a fabulous Jr. SunSeekers trunk or treat kids' party. You always do such a great job rounding up the kids and keeping them involved.

The club is busy and members are having fun so thank you for your support, Gentleman Chad and I appreciate you all.

As the year is winding down, we will still need to get work hours in and there are ample opportunities. You can help behind the bar, around the club and donating food for events or checking in guests at the door for events. Get with one of us on the bridge if you have questions.

Last, I would like to give a shout out to everyone who hosted a private party at the club this year. The parties were all a huge success for the club. If you are interested in using the club for a private party, please see me for available dates.

I am excited to keep things popping around the club so here's the part you all look forward to:

HERE IS THE November SCHEDULES

Nov 13th Riverside Dr show starts at 8 pm

Nov 19th Dress as your Spouse Party with the Pink Pumps show starts at 8 pm

Nov 24th Biggest Bar Night of the Year M-125 show starts at 730 pm

I will continue to post any events I am planning, so be ready to see Scoop posts from me. Looking forward to this year with hope and excitement. Stay healthy and stay safe.

YOUR Vice Commodore Let's make 2021 a great year!!

**Thank you,
Jennifer Gronda**

REAR COMMODORE: LENNY BRADBURN

Hello Sunseeker's,

Well. . . the cold weather is upon us, and most boats are out of the water. While this is sad news, I have some great news—the heat is on at the club, and the beer and cocktails are cold and in great abundance!!!

VC Jenn has some great entertainment lined up this month, and I expect the club to be pretty busy. If anyone is interested in getting some work hours in before the end of the year, I could use some people helping behind the bar as “bar back”. This will consist of filling coolers, ice bins, emptying trash and taking empty bottles and cans to the back (this is for work hours only).

The new year will be here before you know it, and I will be handling the entertainment for 2022. With that said, I am always looking for great ideas to keep our club moving and shaking all year long. Please don't hesitate to reach out to me with suggestions you may have for entertainment.

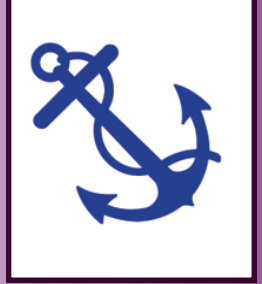

We will be starting the AYC room build very soon, and I will be putting together a committee to assist me with this year's theme “Casinos of the World”. Our own PC Jeff Upholzer will be the AYC commodore, so we must knock this out of the park!!! Any help is greatly appreciated and it counts toward work hours.

As always, please be kind and patient with our bartenders as they are volunteers, not professional bartenders!

R/C Lenny Bradburn

FLEET CAPTAIN: Kevin Towle

Happy November Sunseeker's,

Lady Pam and I would like to thank everyone for all your support this year. My goal for this year was to make sure Sunseeker's had fun, I think everyone that came and participated did just that. Lady Pam sure put on some outstanding dock parties. Everyone should have gotten a good laugh at my cardboard boat race. I also want to thank the Bridge and board for all their support.
